TRAINING & EMPLOYMENT INC.

OVERVIEW OF CHANGES TO POLICY AND PROCEDURE

GDI T&E has recently conducted a review of program policies and procedures. The review ensured that GDI T&E programs aligned with the federal funding agreement. This document has been developed through a communications strategy to ensure clients and other stakeholders are made aware of the changes. All changes were effective upon GDI Board of Governors approval on November 9th, 2011. Below is an overview of the changes.

5.4.1a INDIVIDUAL SPONSORSHIP PROGRAM COSMOTOLOGY, ESTHETICS & HAIRSTYLING

T&E is limiting investment in clients pursuing esthetician, cosmetology and hairstyling training to \$100,000 per fiscal year.

UNIVERSITY

T&E is limiting university funding. Only the last year of study of university degree is eligible. Only tuition and books funding is available. For single parents in their last year of degree program, GDI T&E may provide funding for other eligible costs.

POST DEGREE/PROFESSIONAL PROGRAMS

Post degree/professional university programs are not eligible for funding (i.e. Law, Dentistry, Medicine, Pharmacy, Optometry, etc).

TUITION MAXIMUM

T&E will pay a maximum of \$10,000 in tuition costs per year of study.

EMPLOYMENT TRANSITION

Clients who successfully complete their program may be eligible to receive a one-time employment transition \$200 allowance.

5.4.1c IMMEDIATE EMPLOYMENT ASSISTANCE PROGRAM *(new)*

This new program aims to assist Métis clients who have an offer of employment but require assistance to start their job. This program will be piloted in two locations prior to implementation.

If you have questions about how these policies changes will affect your program or services please contact your local Training & Employment office.
