Community Vitality Monitoring Partnership Process

**NLMC Update
December 1/2011**

Career Ambassador: Schools continue to use the program available at www.careerambassador.ca. Formal evaluation will take place in the spring of 2012. Dialogue and discussion are ongoing.

Socio-Economic Study: CVMPP awarded InterGroup Consultants of Winnipeg a "Study of Socio – Economic (Community Vitality) Indicators with respect to Uranium Mining in Northern Saskatchewan." The study will be completed in June of 2012.

The CVMPP is also pleased to announce that Scott Robertson of La Ronge, Mike Wolverine of Beauval, Sandra Hansen of Stony Rapids, Rose Roberts of Prince Albert, Rosalena Smith of Pinehouse, Annie Robillard of Wollaston Lake and Clifford Ray of Sandy Bay have been appointed to the CVMPP Expanded Steering Committee. The expanded committee will work with the CVMPP and InterGroup during the study "Socio-Economic (Community Vitality) Indicators with respect to Uranium Mining in Northern Saskatchewan" and will provide valuable insight and information.

Collaboration with U of S (International Centre for Northern Governance and Development): CVMPP is collaborating with the U of S INGD on a study of "Knowledge Mobilization" through the Social Science and Humanities Research Council (SSHRC) grant. The proposal will be sent to the SSHRC early next week.

Website: A new interactive website has been launched www.cvmpp.ca.
